## // HOW TO GET TO FIBES

**Taxi Fares:** Taxi fares in Seville are really competitive as distances are really short. An approximate rate from the centre to FIBES should be between 12/15 euros according to the traffic.

### By BIKE

Seville is a middle easily manageable City . Using a bike to get around in Seville is a great choice, as the city is very flat and we enjoy mild temperatures throughout the year. Currently, there are 200 kms bike lanes in the city since Sevilla signed up the Aalborg Commitments at the occasion of the 5th European Sustainable Cities and Towns Conference held in FIBES in 2007.

#### By BIKE

Seville is nowadays the best city for cycling in Spain, second in Europe, fourth in the world (according to agency Reuters) and also according to Copenhagenize.com, the prestigious blog specialized in Bicycle Urbanism for Modern Cities.

In Seville, as in many cities in Europe, there is the possibility of picking up a bike and dropping it off in a different point of the city. This service is called Sevici: <http://www.sevici.es/>

The city has 2.500 rental bikes of service and spread over 250 Parking Areas.

- Prices: Short-term pass, 10,00€; Long-term pass, 25,00€
- First 30 minutes: Short-term pass, free; Long-term pass, free.
- 1st hour (after the initial 30 free minutes): Long-term pass, 0,50 €; Short-term pass: 1,00€
- 2nd and each subsequent hour (after the initial 30 free minutes): Long-term pass; 1,00€; Short-term pass, 2,00€

There are plenty of **bike parking areas** all around **FIBES**
